Hi Krista,

I have some photos from our various site visits, but John has them all georeferenced. I think he'll be sending a webmap with the photos soon.

Best,  
Cyrus

Hi Cyrus,

I saw the one pic in your comments. I think you (or John?) mentioned sending some additional photos from your (or John's?) inspection.

Best regards,  
Krista

Brad,

Please find attached comments regarding Gogebic Taconite's application for a stormwater permit to modify access roads. I hope you find these helpful and please feel free to contact me via phone or email if you have any questions or comments.

Best,  
Cyrus
